City _____ State _____ Zip _____

I would like to include St. Mary Medical Center in my estate plans, will or trust. Please contact me.

SIGNATURE (required for all options) _____ **DATE** _____

FREQUENTLY ASKED QUESTIONS

What is a Mission Maker?

You are a Mission Maker when you support our annual employee campaign and decide to become part of this important fundraising effort. Your tax-deductible contribution will be used here at the medical center you choose to support. The Foundation raises money throughout the year to support and strengthen the medical center, helping to provide equipment, resources, education and more. Once a year, we ask our caregivers to be part of the giving community.

How does my contribution help?

Your donation stays with and directly benefits YOUR medical center to help purchase items not otherwise covered through the operating budget, like medical equipment that needs to be replaced or upgraded, clinical education and training, new and improved technology, and so on.

In 2019, St. Mary Medical Center caregivers donated over \$172,527 in support of our ministry!

These are some of the things that Mission Makers and other Foundation donors have made possible here at St. Mary Medical Center:

- Your support of 42 new cardiac monitors and a new cardiac monitoring station for our **Emergency Department** (coming summer 2020).
- Your support helped expand our **Pediatric Rehab Services** at St. Mary Medical Center.
- Purchased 16 Panda Warmers for our **Mother Baby Unit**. The Panda Warmers are fully equipped and allow nurses to treat babies without having to move them.
- Provided professional **development and training** for our nurses and clinical staff, including conferences and other educational opportunities.

Is my donation tax-deductible?

Yes! If your total annual donation is \$250 or more, you will automatically receive a letter in January for tax purposes; for donations less than \$250 per year, we are happy to send you a tax substantiation letter upon request.

If I donate through payroll deduction, can I change or stop my contribution?

Absolutely – while we hope that you will continue your donation for at least a year, you are free to make changes at any time. If you would like to make a change to the amount, or to stop your payroll deduction, please contact the Foundation at 760-946-8841 and we will be glad to take care of your request.

Thank you for your commitment and support – you truly make a difference!
